Dear Mr. McDaniel:

As per your request, enclosed please find eight patent applications along with the formal drawings and Invention Disclosure Statements for Shell Simpson's inventions. We also just determined that the application for Docket Number 10007657-1 (our file 3427.64911) had an incorrect title and we therefore enclose a corrected version of the application as well as new formal papers for this case. It will be necessary for Shell Simpson and Ward Foster to re-execute these formal papers.

Very truly yours,

GREER, BURNS & CRAIN, LTD.
